

Annual Report

**Cheney Hill Community Center
Cedar Ave.**

Town of Rutland Vermont

Year Ending December 31, 1988

This issue of the Town Report is being dedicated to a life-long resident of the Town of Rutland, namely, Ernest E. Olson who resides on Barrett Hill in Center Rutland.

Ernie served the Town in two capacities from the year 1939 through 1947 as Tax Collector and also as First Constable.

After a few years of 'retirement' from the above positions, he became a Justice of the Peace in 1950 for 30 consecutive years until 1980.

A few years later, he was appointed by the Governor to fill in vacancies on two occasions.

He also served on the Prudential Committee for the Town of Rutland Fire District #1 from 1958 through 1975 with many years as its Chairman.

Voters from the West polling place at the Center Rutland Town Hall continue to see Ernie at his familiar post handing out ballots at election time.

The Town of Rutland and Fire District #1 thank Ernie for his years of faithful service to his community, and wish him well in his retirement.

AUDITORS' REPORT

The Honorable Board of Selectmen:

In compliance with Sub-Chapter 5, Chapter 51, Title 24, Vermont Statutes Annotated, we have, to the best of our abilities, examined the records and accounts of the Town's General Fund and associated funds as of December 31, 1988.

In our opinion, the accompanying financial statements present fairly the financial position of the Town at December 31, 1988, and the results of their operations, and changes in their financial position for the year then ended.

As auditors, we have reviewed the accounting controls of the Town Treasurer's Office and have utilized accepted auditing procedures as provided by the State of Vermont.

We especially thank the Town Treasurer for his cooperation and support in assisting us in the examination of the Town records.

Respectfully Submitted

SELECTMEN'S REPORT

What a difference a year makes. 1987 was marred with legal battling between the Town of Rutland and the City of Rutland and 1988 saw the Town and the City sign a monumental agreement supporting the Finard-Zamias shopping mall proposal.

Committees of the Board of Selectmen and the City Board of Aldermen held several meetings during 1988 which included intermunicipal sewer matters, commercial development, regional planning and transportation issues. The Town also participated in a series of meetings with the Town of Clarendon, West Rutland, Castleton, Sherburne, Poultney and Fair Haven. Overall, 1988 saw the town working with our neighbors with the hope of developing a better region.

1988 will be remembered as the year Rutland Town Senior Citizens got back the Cheney Hill School building as use as a community center. Much activity is taking place at the former school. Attendance has been good at the weekly luncheons held at the center.

A town boy scout troop holds its weekly meetings in the center and others have held various functions at the new community center.

As we close out 1988 the town finds itself having to appeal an advisory decision which said the Town of Rutland must have an ACT 250 permit to construct a proposed sewer line.

The line would allow the town to abandon an old below the ground pump station which pumps sewage from five town businesses to the City of Rutland for treatment. This action by the District #1 Environmental Coordinator means the town may have to spend thousands of dollars on engineering and legal services in order to get permission to construct the line. The possibility even exists that the town could be denied the right to build the line, in which case the town would have to spend thousands of dollars maintaining the old pump station.

1988 was also the year the Board of Selectmen and the Planning Commission completed work on the proposed Town Plan. Many nights were spent in the Town Municipal Building discussing and sometimes even arguing over various issues in the proposed plan.

After much debate and several site visits we ended 1988 with work on the plan complete. We hope to hold a final hearing to adopt the proposed plan in February 1989.

One of the major problems facing municipalities today is what to do with solid waste. With population gains and increased State regulations, disposing of trash has become a real headache for towns and cities everywhere.

The Vermont Agency of Environmental Conservation enacted some very tough regulations in 1988 and increased costs have resulted. All approved landfills must be lined by July of 1991. This means no liner can be placed over buried trash and a new area must be provided. Currently, the Rutland Town Landfill is using one-half of the area targeted for the burial of rubbish. Approximately one half of the landfill area remains that could be lined. At the present rate of deposit, there remains approximately 7 years of use in the area currently being filled. In the unused area, it is estimated that, if lined, 17 years of rubbish burial could be realized. Preliminary liner costs of \$295,000 per acre have been submitted by the State for the unused area (which is approximately 3.5 acres). With the closing and uncertain future of the Vicon plant, difficulty within the region of locating new landfill sites, and the high cost of liners, some monumental decisions remain ahead.

Recycling seems to be a word we hear a lot more of lately, and starting this summer, residents will be able to deposit recyclable materials in a 4-bin container at the landfill. A similar container is currently available at

Casella's Recycling Center in Center Rutland. Details relative to what types of materials the landfill container will accept will be sent out later in a newsletter.

Even with all the changes and regulations that have taken place lately, the Rutland Town landfill continues to be a valuable asset for townspeople. Ranked as one of the best managed landfills in Vermont, the Selectmen are committed to maximize its remaining life.

On March 1, 1988, the voters of the Rutland Town School District voted authorization to convey the Cheney Hill School on Cedar Avenue to the Town of Rutland.

The former school building is being used for community purposes and programs and has been renamed "Cheney Hill Community Center".

Presently, the Community Center is being used as follows: Monday evenings, the Cheney Hill Quilters meet. Anyone interested may call Avis Spicer at 773-9087 after 4:30 P.M. On Tuesdays, the Rutland Town Seniors have a noon meal followed by interesting programs and games. All Seniors interested are encouraged to call Vera Fish at 773-2553. Tuesday evenings the Rutland Town Boy Scout Troop meets and on Wednesday evenings, a large group of Cub Scouts meet.

The Cheney Hill Community Center is available for community uses and its use is encouraged. Phone the Rutland Town Office for more information.

RUTLAND TOWN WARNING

The legal voters of the Town of Rutland are hereby warned to meet at the Rutland Town Elementary School on Post Road on Monday, March 6, 1989 at 7:30 P.M. to discuss Articles #2 thru 18.

On Tuesday, March 7, 1989 at 9:00 A.M. at the Town Hall in Center Rutland for voters living on the West side of Route #7, and at the Elementary School Gym on Post Road for voters living on the East side of Route #7 to vote on Articles #1 thru #17 inclusive, by Australian Ballot.

Polls will close 7:00 P.M. on March 7, 1989.

Articles:

1. Choose all necessary officers required by law.
2. Shall the voters authorize the Selectmen to borrow money in anticipation of taxes?
3. Shall property taxes be payable to the Town Treasurer on or before September 5, 1989 with a discount of 4% and after September 5, 1989 turned over to the Tax Collector as delinquent taxes?
4. Shall the voters authorize the Selectmen to raise by taxes an amount not to exceed THREE HUNDRED SEVENTY-EIGHT THOUSAND & NO/100 DOLLARS (\$378,000.00) for use toward the operation of the General Fund budget?
5. Shall the voters authorize the Selectmen to raise by taxes an amount not to exceed THREE HUNDRED FIVE THOUSAND & NO/100 DOLLARS (\$305,000.00) for use toward the operation of the Highway Fund budget?
6. Shall the voters authorize the Selectmen to raise by taxes an amount not to exceed FIFTY EIGHT THOUSAND FOUR HUNDRED & NO/100 DOLLARS (\$58,400.00) for use toward the operation of the Fire Fund budget?
7. Shall the voters authorize the Selectmen to raise by taxes an amount not to exceed NINETEEN THOUSAND & NO/100 DOLLARS (\$19,000.00) for use toward the operation of the Recreation Fund budget?
8. Shall the Town continue its participation in the Rutland Free Library Association, Inc. and approve an appropriation not to exceed TWENTY EIGHT THOUSAND & NO/100 DOLLARS (\$28,000.00) for the year 1989?
9. Shall the voters of the Town of Rutland allocate the sum of TWENTY THOUSAND EIGHT HUNDRED EIGHTY-FIVE & NO/100 DOLLARS (\$20,885.00) toward the annual operating costs of the Regional Ambulance Service for 1989?
10. Shall the Town of Rutland provide financial support to the Marble Valley Transit District — "THE BUS" — in an amount not to exceed SEVEN THOUSAND EIGHT HUNDRED TWENTY-SIX & NO/100 DOLLARS (\$7,826.00) for transit services to the Town of Rutland for the year 1989?
11. Shall the voters authorize the Selectmen to raise by taxes an amount not to exceed FIVE THOUSAND & NO/100 DOLLARS (\$5,000.00) as our share toward the Rutland Industrial Development Corporation's

budget to promote economic development in the Rutland region and in Rutland Town?

12. Shall the Town of Rutland appropriate an amount not to exceed FOUR THOUSAND SEVEN HUNDRED SEVENTY & NO/100 DOLLARS (\$4,770.00) in support of the Rutland Visiting Nurse Association for the year 1989?
13. Shall the Town of Rutland appropriate an amount not to exceed THREE THOUSAND NINE HUNDRED FORTY—SIX & NO/100 DOLLARS (\$3,946) in support of the Rutland Mental Health Service?
14. Shall the Town of Rutland appropriate an amount not to exceed THREE THOUSAND & NO/100 DOLLARS (\$3,000.00) toward the funding of a new Rescue 8 vehicle for the City of Rutland Fire Department which will aid emergency rescue operations in our Town?
15. Shall the Town of Rutland appropriate an amount not to exceed THREE THOUSAND & NO/100 DOLLARS (\$3,000.00) toward the funding of implementing an emergency 911 number by the City of Rutland Police Department for the immediate area telephones for the year 1989?
16. Shall the Town of Rutland appropriate an amount not to exceed ONE THOUSAND & NO/100 DOLLARS (\$1,000.00) to the Rutland Town PTO as our share for the purchase of a specialized unit of playground equipment that will be located at the Elementary School?
17. Shall the legal voters of the Town of Rutland request that the General Assembly of the State of Vermont enact legislation which would allow a Court to impose the death penalty for aggravated first degree murder?
18. To transact any other necessary, legal and proper business which may come before said meeting.

**WARNING OF ARTICLE TO BE VOTED AT THE
ANNUAL MEETING OF THE TOWN OF RUTLAND, VERMONT
PERTAINING TO BONDED INDEBTEDNESS**

The inhabitants of the Town of Rutland who are qualified voters of the Town are hereby warned that at the Annual Town Meeting, to be held at the Town Hall and Elementary School in said Town of Rutland on March 7, 1989, the following question will be voted by Australian Ballot, the polls to open at 9:00 A.M. and to close at 7:00 P.M.

Shall the bonds of the Town of Rutland, a municipal corporation of Rutland County and State of Vermont, in an amount not to exceed SEVEN HUNDRED FIFTY THOUSAND & NO/100 DOLLARS (\$750,000.00), be issued for the purpose of paying the cost of construction of a new sewer line and related improvements, proceeding from the existing pump station site on the West side of U.S. Route 7 to a connection point with the Rutland City sewer system on the lands of Tambrands, Inc., the total estimated cost of said improvements being SEVEN HUNDRED FIFTY THOUSAND & NO/100 DOLLARS (\$750,000.00).

The inhabitants of the Town of Rutland are further warned that there will be a public meeting for discussion of the foregoing question at Rutland Town Elementary School in said Town of Rutland on March 6, 1989, commencing at 7:30 P.M.

DATED at Rutland Town, Vermont, this 2nd day of February 1989.

— NOTE —

A person who owns or keeps a dog more than six months old shall annually on or before April 1 cause it to be licensed and shall pay \$4.00 for each neutered male or spayed female dog, \$6.00 for each male dog, and \$8.00 for each female dog. If the license fee for any dog is not paid by April 1, a 50% penalty is added.

Before a person shall be entitled to obtain a license for a spayed female or neutered male dog, he shall exhibit to the Clerk a certificate signed by a duly licensed veterinarian showing that the female or male has been sterilized.

Before obtaining a license for a dog six months or age or older, a person shall deliver to the Town Clerk a certificate or certified copy thereof signed by a duly licensed veterinarian, stating that the dog has within 24 months been vaccinated against rabies with a vaccine approved by the Department of Agriculture. The Town Clerk shall keep the certificates or copies thereof on file

DOG TAGS ARE AVAILABLE NOW! PLEASE COME IN AND AVOID THE RUSH BEFORE APRIL 1st. THANK YOU!

AUDITORS' REPORT

The Honorable Board of School Directors:

In compliance with Sub-Chapter 5, Chapter 51, Title 24, Vermont Statutes Annotated, we have examined, to the extent of our abilities, the records and accounts of the Rutland Town School District as of June 30, 1988.

In our opinion, the accompanying Financial Statements present fairly the financial position of the School District as of June 30, 1988; and the results of their operations, and changes in their financial position for the year then ended.

As auditors, we have examined and tested such areas as cash, receipts, disbursements, investments, Grand List, School Petty Cash and Athletic Fund Accounts, and have verified figures on the accompanying financial statements. We have sent copies of our Management Letter stating any weaknesses there may be to the Town Treasurer and the Board of School Directors.

We thank the Town Treasurer and others connected with the Rutland Town School District for their cooperation and support in assisting us in this year's examination of the School records.

Respectfully submitted
BOARD OF AUDITORS

ANNUAL REPORT OF SCHOOL DIRECTORS AND ADMINISTRATION TO RUTLAND TOWN CITIZENS

RUTLAND TOWN SCHOOL . . . WHERE THE FUTURE BEGINS

The Rutland Town School has truly become the hub of community events. The school is used by many community organizations and school groups almost every day after school, evenings, and weekends. The citizens of the Town are making optimal use of their facility.

This June, Paul E. Tracy was appointed as the new Superintendent of Schools for Proctor, Rutland Town, and West Rutland School Districts replacing Richard Zani who retired after 34 years in the field of education. Paul has been an area educator for the past 22 years. Under his leadership, the central office has taken an active role in the development of curriculum, the supervision of personnel, and the improvement of fiscal accounting and budgeting procedures. Mr. Tracy believes the needs of students can be more effectively addressed through the sharing of ideas, talents and resources between school districts.

We also welcomed two new faces to the Board this year, Joseph Barnhart and Joan Fingon. The staff lost a friend and valued peer this past year when Gareth Williams resigned from teaching. A replacement and new friend was found in Marie Durfee. Other new and returning staff members are: Doris Kozlik, second grade teacher and long term substitute for Linda Mullin; Gwentyth Dolce and Sharon Ronn have returned from maternity leave; Cheryl McKane, part-time Language Arts teacher; Sara Fenn, Kindergarten instructional assistant; and Randy Dewey as Athletic Director.

Administrators and staff have worked diligently to implement a Teacher Advisor Program and a Humanities Program for the Middle School. A Social Studies curriculum has also been implemented. The most significant event that has taken place this past year has been the Public School Approval Evaluation. Extensive hours were worked to review and write an entire school curriculum for the P.S.A. process. In the introductory statement to the report the committee stated that: "The strengths of the school's educational program include: the Primary Language Arts Program, the Middle School Program, the Computer Education Program, the Arts Program, the Special Education Program and Chapter I Programs, the Home Economics Program, the Middle School Electives Program, the field trip experiences, and the student productions. The dedicated, interested teachers and administrators, involved school board members, and supportive parents add to the success of the school". According to the State Department officials, we received one of the best evaluations in the State. The Committee's report concluded that "Rutland Town can take pride in providing its children with an outstanding educational program and facility". Guidance services were increased to include grades K-8, per Public School Approval Standards.

Several staff members received awards and grants. Teachers Carol Abrahamson and Tedda Drake were chosen as Vermont Teachers of the Year. Teachers Doug Carey and Lou Ann Hale each received \$3,000.00 grants to implement computer technology in their departments. Five teachers attended the State Health and Wellness Conference with over one half of the staff participating in a Health and Wellness Day at the Hulburt Outdoor Center. Music productions and exchange concerts along with Vermont Heritage Week activities have kept staff members extremely busy.

Thanks to your support, the new heating system in the gymnasium and cafeteria is a reality. A significant savings on the ever rising cost of electricity should be realized. The new science labs are almost completed. The

labs were needed to meet P.S.A. standards and to maintain a high quality of education. New curtains were installed on the stage, and a wall was erected in the Special Education room. The wall enables our Special Ed teachers to hold classes simultaneously. A new pitched roof is being constructed on the main entrance to the school. A bell tower, to house the Center Rutland School bell, will top the roof and add to the character and charm of the building. Construction and hanging of the newly dedicated, "Leonard Johnson" bell, will be completed by late February.

Board members and administrators attended a State Department Public Relations workshop in White River, and the Vermont School Board Association Conference in Ascutney.

The Cheney Hill School is now the Cheney Hill Community Center and is fast becoming a vital part of the community.

The School Board would like to thank the many dedicated volunteers who have worked for the school in various capacities. The Community Communications Committee, arranged a lovely Christmas luncheon and music performance for our senior citizens. The new letter head and school slogan are also to be accredited to this enthusiastic committee.

The School Board would also like to take this opportunity to put into words our thoughts of appreciation to the entire staff and administration.

Finally, thanks to your support last March, our budget passed on the first vote. We admit that any system is only as good as the support of the voters of the Town. We welcome your participation, suggestions and ideas. It has been a pleasure to serve you and we look forward to another busy and rewarding year.

Respectfully submitted,
Nancy Brooks, Chairperson

The Board of Directors
Rutland Town School District
Rutland, VT 05701

We have examined the financial statements of the Rutland Town School District for the fiscal year ended June 30, 1988, listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The school district has not maintained a record of its general fixed assets, and accordingly, a statement of the general fixed asset account group required by generally accepted accounting principles, is not included in the financial report.

In our opinion, except that the omission of the statement of the general fixed asset account group described above results in an incomplete presentation, the financial statements listed in the aforementioned table of contents present fairly the financial position of the Rutland Town School District at June 30, 1988, and the results of operations for the year then ended, in conformity with generally accepted accounting principles.

**RUTLAND TOWN SCHOOL DISTRICT
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 1988**

NOTE A - SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Rutland Town School District conform to generally accepted accounting principles as applicable to governments. The following is a summary of the more significant policies:

The accounts of the Rutland Town School District are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures, or expenses, as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped, in the financial statements in this report, into three generic fund types and one broad fund category as follows:

Governmental Funds:

The General Fund is the general operating fund of the District. It is used to account for all financial resources except those required to be accounted for in another fund.

Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes.

Capital Projects Funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities.

The accounting and reporting treatment applied to the long term liabilities associated with a fund are determined by its measurement focus. All governmental funds are accounted for on a spending or "financial flow" measurement focus. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of "available spendable resources." Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets. Accordingly, they are said to present a summary of sources and uses of "available spendable resources" during a period.

Long term liabilities expected to be financed from governmental funds are accounted for in the General Long Term Debt Account Group, not in the governmental funds except for special assessment bonds, which are accounted for in Special Assessment Funds when utilized.

RUTLAND TOWN SCHOOL DISTRICT
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 1988

NOTE A - SIGNIFICANT ACCOUNTING POLICIES - (Continued)

The account group is not a "fund." It is concerned only with the measurement of financial position. It is not involved with measurement of results of operations.

Because of their spending measurement focus, expenditure recognition for governmental fund types is limited to exclude amounts represented by non-current liabilities. Since they do not affect net current assets, such long term amounts are not recognized as governmental fund type expenditures or fund liabilities. They are instead reported as liabilities in the General Long Term Debt Account Group.

The basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

Governmental funds are accounted for using the modified accrual basis of accounting. Their revenues are recognized when they become measurable and available as net current assets.

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. Exceptions to this general rule include accumulated unpaid vacation, sick pay, and other employee amounts which are not accrued and principal and interest on general long term debt which is recognized when due.

The district follows these procedures in establishing the budgetary data reflected in the financial statements:

1. Formal budgetary integration is employed as a management control device during the year for the General Fund, and Special Revenue Fund (Food Service Fund).
2. The budgets for the General Fund, and Special Revenue Fund (Food Service Fund) are adopted on a basis consistent with generally accepted accounting principles.

Total columns on the Combined Statements are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position or results of operations in conformity with generally accepted accounting principles.

**RUTLAND TOWN SCHOOL DISTRICT
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 1988**

NOTE B - LOCAL TAXES

Local tax revenues are based on the budget for the Rutland Town School District including the cost of tuition paid to other schools attended by students who reside in Rutland Town. The tuition paid to area high schools in the fiscal year ended June 30, 1988 was \$724,550.

NOTE C - CASH

At June 30, 1988 a net cash balance of \$132,246 existed in the General Fund. It was composed of the following cash account balances.

General Fund - Operating checking account	\$130,196
Operating savings account	1,592
Student athletic checking account	269
Home economics checking account	12
Petty cash checking account	217
Payroll checking account	(40)

At June 30, 1988 the Special Revenue Fund had the following cash account balances:

Food Service - Operating checking account	\$ 164
Checking account	665

NOTE D - NOTES PAYABLE

The amount of \$143,572 in notes payable is composed of the following items:

	Interest Rate	Maturity Rate	Principal Borrowed	Principal Balance 6-30-88
General Purpose Note (to finance construction of addition to Rutland Town Elementary School)	8%	9-1-94	\$110,000	\$78,572
General Purpose Note (to finance new heating system in Rutland Town Elementary School)	7%	12-1-93	\$ 65,000	\$ 65,000

The following is a summary of the long-term debt transactions for the year ended June 30, 1988:

	<u>General Purpose</u>
Debt outstanding 7/1/87	\$ 94,286
Addition of new debt	465,000
Repayments	(415,714)
Debt outstanding 6/30/88	<u>\$ 143,572</u>

The interest on the \$65,000 note is being paid by Exxon Corporation as part of its municipal restitution program.

RUTLAND TOWN SCHOOL DISTRICT
NOTES TO FINANCIAL
JUNE 30, 1988

NOTE D - NOTES PAYABLE - (Continued)

The annual requirements to amortize the principal balance outstanding at June 30, 1988 on the above notes payable are as follows

1989	\$ 26,714
1999	26,714
1991	26,714
1992	26,714
1993	26,716
1994	<u>10,000</u>
TOTAL	<u>\$ 143,572</u>

NOTE E - GENERAL STATE AID - RESTRICTED

The voters authorized the School Directors to use the \$40,000 of the prior year's state aid held in escrow for the following purposes:

- | | |
|--|-----------|
| 1. Science lab construction | \$ 25,000 |
| 2. Capital equipment purchases | 10,000 |
| 3. Tax relief in the fiscal year
ended June 30, 1989. | 5,000 |

This money has been invested in certificates of deposit and is segregated into a Special Revenue Fund called Restricted State Aid. Income from the investment of these funds has been recorded in the General Fund.

RUTLAND CENTRAL SUPERVISORY UNION

Supervisory Union Committees are presently developing a K-12 curriculum framework for mathematics, writing, and science to be shared with the three schools. The administrative team is working on the development of a supervision and evaluation guide for administrators, teachers, and the Boards. Accounting procedures are now computerized with an up to date and accurate report given on a monthly basis.

Comprehensive Special Education services are being provided to 183 students, ages 0-21, in the towns of Rutland Town, Proctor and West Rutland. Services include Essential Early Education, Speech/Language, Resource Room and teacher consultation by various specialists.

We are proud to announce that our Supervisory Union Essential Early Education Program has been selected as a model demonstration site for UVM's Project TEEM. This project assists us with the process of transitioning young students with handicaps from the Essential Early Education Program into Kindergarten.

In October, 1988, the supervisory union received an audit report from A.M. Peisch & Company for the 1986-87 fiscal year. This report indicated that the Rutland Central Supervisory Union had a deficit. Upon receipt of the report, the superintendent, working with the Boards and the audit firm, has identified a deficit of \$39,587.00. Research has indicated that this deficit started and grew over a period of many years due to improper accounting procedures. There is no evidence of wrong doing or misuse of school district funds. There is evidence that expenditures were made that were not billed back to the school districts. The cost of reviewing the financial records for the past 10 to 20 years to determine exactly when and how the deficit started and grew is prohibitive. Immediate steps have been taken to correct accounting procedures. The school boards have decided to pay for the deficit with an additional assessment from the 1988-89 and 1989-90 school budgets. Citizens seeking further information concerning this deficit are encouraged to call the superintendent's office (775-4342).

The Rutland Central Supervisory Union, Proctor, Rutland Town and West Rutland, in meeting the requirement of its Local Education Agency Plan, is attempting to identify any and all area resident children between the ages of 0-21 years who may be considered handicapped. These children are entitled to receive an education, regardless of handicap, at public expense. It is possible that the Rutland Central Supervisory Union may not be aware of the residence of all handicapped children. If you know of a child who might be eligible for educational services and is not in school, please notify the Coordinator of Special Education in the Rutland Central Supervisory Union at P.O. Box 440, 22 Evelyn Street, Rutland, VT 05701, or phone 775-7319.

I would like to take this opportunity to thank the citizens of Rutland Town for their support and I look forward to a productive and busy year.

SUPERINTENDENT OF SCHOOLS
Paul E. Tracy

My sincere thanks to the Officers, Firemen, Ladies' Auxiliary and Flints Answering Service for your loyal support in making our fire department one we can be proud of.

I recommend the use of smoke alarms in your home.

We are accepting applications for firemen, if interested, stop by either station on Wednesday evening or call my home.

Sincerely
JOHN E. DRINWATER, Chief
Rutland Town Fire Department

FIRES IN 1988

DATES	FIRES	TYPE OF FIRE
Jan. 3	Brileya's, Route 7 North	Dumpster Fire
Jan. 6	Qualitat, Cold River Rd.	Shredder Machine Fire
Jan. 7	Metromail, Seward Road	False Alarm
Jan. 9	Route 7 South	Gas Spill
Jan. 14	Vt. Bedrooms/Mt. Music, Woodstock Ave.	Store Fire
Jan. 14	Vt. Bedrooms/Mt. Music, Woodstock Ave.	Flareup
Jan. 14	Gleason Road	House Fire
Jan. 15	Gary LaFountain, Stratton Road	Insulation Fire
Jan. 15	Sheehan, Post Road	Smoke from Woodstove
Jan. 17	Holiday Inn, Route 7	False Alarm
Jan. 19	Jeff DeJarnette, Oxyoke Dr.	Electrical Fire
Jan. 22	Rutland Town School, Post Road	Bomb Threat
Jan. 23	Hy-Way Furniture, Route 4	Bomb Threat
Jan. 24	Meadow Behind Ames, Route 7	Grass Fire
Jan. 27	Tuttle Law Print, Quality Lane	Stereo Fire
Jan. 29	Scott Adams/Spooner, Roy Ave.	Chimney Fire

**VITAL STATISTICS
BIRTHS, MARRIAGES AND DEATHS
REGISTERED IN THE TOWN OF RUTLAND, VERMONT
FOR THE YEAR ENDING DECEMBER 31, 1988**

IMPORTANT NOTICE

Starting with this year's Town Report, vital statistics for the above categories WILL NOT be published any longer depicting names, addresses, etc.

Due to the increase in this country of fraudulent identities and the misuse of records, the State of Vermont Health Department recommends that the towns not publish names in their Town Reports, but only the statistics. It is sad, in a way, to drop this long-standing tradition, but for everyone's best interests, we are taking the advice of the Health Department.

We, therefore, list the following events that occurred in our Town for the year 1988.

Births	30
Marriages	42
Deaths	17

Thank you for your consideration in this delicate matter.

RICHARD J. DEL BIANCO
Town Clerk

**CHENEY HILL CEMETERY ASSOCIATION
ANNUAL REPORT**

The annual meeting of the Association was held with the following officers elected:

President Sherwin L. Williams
Vice President Byron R. Hathaway
Secretary George J. Livak

The year 1988 saw the cemetery property well mowed and cared for by the Association. The Association also took care of the old cemetery in Center Rutland.

Nineteen lots were sold in 1988.

There were four (4) burials.

Actual money in Perpetual Fund account as of December 31, 1988 is \$28,453.40. The total amount is to be kept constant, but the interest from the fund shall be used for the operational expenses of the cemetery.

Due to rising costs, the price for a lot in Cheney Hill Cemetery will be \$150.00 per grave, effective July 1, 1989.

Respectfully submitted
CEMETERY COMMISSIONERS
Sherwin L. Williams
Byron R. Hathaway
George J. Livak

LEGISLATIVE REPORT
RUTLAND TOWN REPRESENTATIVE MERRITT L. THOMAS

The first year of the 1989-1990 session of the Vermont Legislature was brought to order by House Speaker Ralph Wright on Wednesday, January 5, 1989. Unlike the past two years when there was a surplus in the Treasury, the accent currently is on frugality. Governor Kunin, in her annual address to the Legislature, stressed the need for the lawmakers to be careful in their spending.

High on the priority list of issues to be discussed are bridge and highway improvements, special education, and speeding up the permit process in Act 250. Also very important is a solution, or at least a workable plan, on the Solid Waste situation.

It is difficult, in our small State with approximately 550,000 people, to address all the needs adequately. One of our first votes will be on the percentage of the federal income tax that we pay to the State. I hope it will be the 23% tax as it was last year.

I have been assigned to the Commerce Committee this year. We meet each day and discuss and study laws pertaining to banking, insurance, public utilities and state or municipal financing, such as bonding. People in these various fields testify before our Committee to better acquaint us with the problems.

There have been no bills passed as yet, this session. I will try to keep you folks posted as we progress, and if there are any questions you are welcome to call me. Also, anyone who wishes can visit the State House while we are in session. There are seats available and I can be reached through the office of the Sergeant-at-Arms.

Respectfully,
Representative Merritt L. Thomas

RECREATION COMMISSION REPORT

For more than eleven years now the Town of Rutland has demonstrated a love of its children, this is clearly reflected in its Recreation complex at Northwood and Dewey.

Under the guiding hand of such past commissioners as Paul Horton, who after eleven years of service has retired, our programs have grown. Paul, it is with much respect we say good by, knowing, as you have already demonstrated, if we need your advice or help, you will be there.

To Harry Roberts, who spent many an hour mowing fields, gathering equipment and some heated Commission meetings, we do appreciate all of the hours you gave. A debt of gratitude to Terry Maxfield, who took time from his own five children for the pool, baseball and meetings. And Bob Kennedy and Jim Beraldi, who will never be forgotten for the amount of work they put in. And least we forget many of those eloquent speeches you gave your fellow commission members, thanks Jim and Bobby.

Many a warm afternoon this summer, were enjoyed by our Town families at Northwood pool. To our guards and staff, thank you. A special thanks to Nella Flory, who we hired as an Aid and filled in as lawn mower, janitor and gate keeper. Nella is one of those few people who can ask for ticket money and get it with a smile. Good job, Nella.

Our baseball and softball teams again this year made us proud. To the Coaches and parents we salute you.

A new program was developed in baseball this year, called T Ball. Many hours of time were put in by Greg Fineberg, Ernie Cioffi and Bob Kennedy getting this program off the ground. These gentlemen ignited an interest in many children who might have never gotten involved. The program was set up to teach young boys and girls to hit, catch and throw a ball. To watch these kids' self-esteem grow was unbelievable.

The Rutland Town R C race track sports a new platform. This was built under the guidance of Willie Lanfear and crew. The cost to the town taxpayers was \$0.00. People like these are what Rutland Town is about.

The influence of many is the results of another successful year for Rutland Town Recreation Commission. Thank you, fellow commission members, Town Office staff, Selectmen and most of all the children of Rutland Town. It was once written "Life begins as a quest of the Child and ends as a journey by the man to rediscover the Child."

RESPECTFULLY SUBMITTED

Anthony Flory ,Chairman	1990
Larry Dellveneri, Vice Chairman	1989
Sharon Russell, Treasurer	1991
Jane Charron, Secretary	1990

Ernie Cioffi	1989
Mike Mayhew	1990

RUTLAND FREE LIBRARY
Court Street
Rutland, Vermont 05701
(802) 773-1860

Rutland Free Library Association, Inc.
 Paula J. Baker, Director

To the Board of Selectmen and the
 Citizens of the Town of Rutland:

I think my son is doing drugs. . . how can I tell for sure? Do you have a form for a simple will that I can use? When does Easter come in 1993? Can you find an 800 number for a company in New Mexico? Questions like these reach the library every day and are welcomed. Access to information, services, and programs is vital for an active community and has been the major thrust of the board and staff's activities this year.

Most prominent was the board's decision and commitment to provide equal access to library programs and the book collections regardless of physical disabilities. A bond issue for building improvements including the installation of an elevator, upgraded fire and safety code requirements, expansion of a crowded children's room and a study-reference area was passed by city voters in November. Work is scheduled to begin by late Spring.

Less attention grabbing but equally important was a steady increase in the number and quality of services offered. Most notable, a reference desk manned 64.5 hours a week by an experienced professional was established. Loan periods were increased, new indexes offered and three grants totaling over \$25,000 were obtained for the purposes of attacking adult illiteracy and encouraging children in the field of science. The library was selected as a test site for VALS, the Vermont Automated Library System, and can offer access to card catalogs across the state by computer. The Rutland Herald gave the library a \$6000 microfilm reader/printer and the Lion's Club gave a \$3500 Telereader which enlarges print on a TV screen for the visually impaired.

Programs for citizens were both broad and extensive. 11,568 people attended 188 programs offered by the library, in addition to 158 uses of the Fox Room by community clubs. These events are possible through an endowment and because of extensive grant writing. The library wrote and was granted over \$7650 of additional funding for educational and cultural programs. These included book discussion series, concerts, adult new readers, story hours, a literature series, tours and a special reading group for Seniors at the center.

The circulation of books, tapes, magazines, films and records rose 4% and registration of borrowers went up 11%. The book collections grew to 87,966 volumes and have been targeted for extensive overhaul over the next several years. Upgrading the reference collection has begun and will continue through the next year.

Staffing for increased services, a difficult building and active programming has NOT increased since 1972 and is augmented by the use of volunteers, RSVP and the Vermont Associates program.

Additional help and support is on the way through the formation of a Friends of the Library group who list their goals as support for collections and activities, sponsorship of programs and services, direct financial assistance, solicity volunteers and stimulating an increased awareness of the library's services.

The library, an independent non-profit organization, receives tax support

from Rutland city and Rutland town. Residents of these communities have free access to the services and collections maintained to meet their needs. The right to know, to learn and to experience first hand is a right that belongs to all citizens and one which describes library purpose in its essence. Access remains the key.

RUTLAND REGIONAL COMMISSION REPORT

The big news for municipal and regional planning commissions this year has been the passage, by legislature, of "Act 200". "Act 200" is a series of substantial changes in Vermont's land use and development law. Under "Act 200" a planning process has been developed which seeks to coordinate municipal, regional and state level planning in accordance with certain designated planning goals. In this planning process, the regional commission is given the authority to approve or disapprove municipal plans (Town Plan) and amendments to those plans (Town Plan Changes).

After July 1, 1989 our Board of Selectmen will only be able to adopt an approved town plan change after receiving a favorable review from the regional planning commission. In its consideration of the plan or an amendment to the plan, the regional commission is charged to find that the plan or amendment is consistent with the planning goals, is compatible with the approved plans of other municipalities and is compatible with the regional plan. In addition, the new law requires that the regional commission shall review the planning process of its member municipalities (the new statute states that all municipalities within a designated region shall be considered members of the regional planning commission) and shall "confirm" that the municipality is engaged in a continuing planning process that will result in a plan that is consistent with the planning goals and is maintaining efforts to provide local funds for municipal and regional planning purposes.

Further, "Act 200" states, that for projects with substantial regional impact, the regional plan rather than the "town plan" will be used in Act 250 proceedings in the case of a conflict between the two plans. The law also requires that a "regional land use map", which describes present and prospective land use, be included as a part of the regional plan.

Another feature of "Act 200" is the creation of a state level appeals board, known as the "Council of Regional Commissioners", which will decide appeals of regional planning commission decisions with respect to the approval or disapproval of a municipal plan or amendment. Also, the Council of Regional Commissioners will review regional plans and state agency plans.

There is little question the "Act 200" has transferred a considerable amount of land use decision-making authority to the regional commission. Not only Rutland Town residents, along with the town planning commission and the Board of Selectmen, will determine the future of our town but also the members of the regional planning commission. At the present time, each town within the region has one representative and one vote on the regional commission, although, during the most recent past, a few towns have elected not to send a representative.

In spite of the fact that "Act 200", in many respects, erodes local control there are three major elements of the new statute which require local awareness and involvement. These are: 1) the requirement of the Act that local and regional planning commissions shall *solicit the participation* of local citizens and organizations in the preparation of plans; 2) the requirement of the Act that state agency plans and projects shall be compatible with approved municipal and regional plans and 3) the open local process which is established by the appeals section of the new law.

Certainly the importance "Act 200" places upon citizen awareness and active "grassroots" involvement is a critical ingredient in the municipal and regional planning process. To this end, all town residents should endeavor to make your thoughts, opinions and positions known to both the town planning commission and Board of Selectmen and to the regional planning

commission. All municipal and regional planning commission meetings are public meetings and offer an opportunity for you to voice your concerns on issues before the commission.

Another beneficial feature of "Act 200" is that state agency plans and projects are required to be consistent with the planning goals and compatible with regional and approved municipal plans. No longer will state agencies be able to pursue projects which are contrary to the desires of municipalities as expressed in the approved municipal plan. Indeed, state agencies will be consulting with municipalities prior to the adoption of their plans and projects. The implications of this element of the new law for concerns such as the Route 4 bypass are immediately apparent.

Finally, the statute is generous in the delineation of those who have standing to appeal a decision of the regional commission with respect to the approval of a municipal plan or amendment or of the regional plan, itself. "Act 200" allows affected property owners or small groups of citizens (any 20 persons) who have signed petitions to enter the appeal process. This provision gives every town resident, through the appeal mechanism, an opportunity to question the important decisions made throughout the planning process.

In other news at the Rutland Regional Commission, Rutland Town has been given membership on the executive committee of the Commission and chairmanship of the policy and finance committee, which is responsible for preparation of the commission budget and for review of proposed bylaw revisions. During the past year two important bylaw amendments were approved by the full commission: the first removed the requirement that municipalities must pay "dues" in order to vote (towns may now vote without the payment of "dues", instead, a "fee for service" program has been developed) and the second requires that municipalities, that so desire, shall be provided with twenty days written notice of forthcoming important commission decisions such as budget revisions, major policy changes and bylaw amendments.

From the fiscal point of view, Rutland Town has fared well. The removal of the dues requirement has saved the town about \$5,500.00 and the grant the town received for a study of landfill "user fees", through the efforts of the staff of the commission, was in the amount of \$5,000.00.

It should be noted that many of the positive changes that are occurring at the regional commission are due to the determined efforts of the commission chairperson, Sally Greene of Shrewsbury. Sally has been instrumental in opening the commission to the "winds of change" and has actively encouraged widespread community involvement in commission activities.

The Rutland Regional Commission is located at the Opera House in Rutland (third floor). Information about commission activities can be obtained from the regional commission directly at 773-0871 or through town administrative assistant, Joe Zingale at 773-2528 or from your representative at 773-6833.

Respectfully Submitted,
David Dickinson
Rutland Town Representative
to the Regional Commission

TOWN OF RUTLAND PLANNING COMMISSION

The Town Planning commission was very busy in 1988, the nine member commission met a total of 26 times in 1988, reviewing subdivision applications, Town Plan amendment requests as well as reviewing several proposed building developments.

The commission reviewed a total of 21 subdivision applications which resulted in the creation of 48 building lots. The commission spent much time reviewing each application paying particular attention to the suitability of the lots for on site septic, drainage and vehicle ingress and egress.

I am both relieved and happy to report that the Planning Commission, in 1988, completed work rewriting the Town Plan. The commission held several meetings in which the public attended and offered input to the proposed Town Plan. Procedurally, the commission sent the completed document to the Board of Selectmen, which has also held several meetings with the public for the purpose of receiving input to the proposed Town Plan. As of this writing it is anticipated the Board of Selectmen will vote on whether to approve the proposed Town Plan sometime in February 1989.

The Planning Commission also spent a good deal of time in 1988 rewriting a proposed zoning document. In order to adequately review the proposed 75 page document the commission often dedicated the first hour of its meeting for the purpose of making changes to the proposed zoning regulations.

The adoption of zoning regulations would result in the town becoming a so-called 10 acre municipality. This means all proposed commercial/industrial developments (on less than 10 acres) would be free of State ACT 250 review. This would result in tremendous savings to prospective developers, who would no longer have to submit to the highly technical ACT 250 review.

I would like to personally thank my fellow commissioners: Sherwin Williams, Anthony Block, Richard Kopsack, J. Barry Burke, David Dickinson, Richard Hoenes, Sr., and Israel Mac as well as Joseph Zingale, the Town Administrative Assistant, for their hard work and dedication during 1988.

I intentionally neglected to mention the passage of ACT 200 by the State Legislature in 1988, which fundamentally changes the manner in which the town deals with planning and development issues. I would refer you to the report submitted by David Dickinson (Town representative to the Rutland Regional Commission) which address ACT 200.

I encourage any town resident who is interested in town development issues to attend our Thursday night meetings. Call the Town Clerk's office at 773-2528 for more information.

Charles E. Brothers,
Chairman

RUTLAND AREA VISITING NURSE ASSOCIATION, INC.
P.O. Box 226, Flory Plaza
Center Rutland, Vermont 05736

Annual Report
1988

TO: Citizens of the Town of Rutland

1988 has been another busy year for the Rutland Area Visiting Nurse Association, Inc. The push to get people out of hospitals sooner has made our Agency busier providing more high tech nursing, as well as trying to meet the needs of the chronic long-term patient care.

We continue to have to fight to get Medicare payments to provide needed health care to the elderly. Insurance companies seem to pattern their payment methods after Medicare, so it continues to be a constant demand for more paperwork to get any payment. Many people that need care do not qualify under a payment program, so your Town funding helps us provide many needed health services.

We provide the following services in your town:

Unduplicated patients — 38

Skilled Nursing Care	— 264 visits	Speech Therapy	— 0 visits
Home Health Aide	— 168 visits	Homemaker	— 60 visits
Physical Therapy	— 72 visits	Clinic services	— 0
Occupational Therapy	— 0 visits	Prenatal Couples	— 0

Health care provided in the home is becoming more popular. People want to stay at home as long as possible. We are here to support that concept and provide as many services as we can to make this a choice that your Town people have. We can only do this with your continued funding support. We are here to serve you and yours. We have staff on call 7 days a week. 24 hours a day; If you need help, call Rutland 775-0568 24 hours, 7 days a week; or Castleton 468-5668 or Brandon 247-3111 Monday - Friday, 8:00 AM - 4:00 PM.

Thank you for your continued financial help. We could not do it without your support.

Sincerely,

Evelyn Doyle
 Executive Director

RUTLAND MENTAL HEALTH SERVICE, INC.
serving Rutland County

Our Request for FY 1989 (July 1, 1989 - June 30, 1990)		\$ 3,946.00

Our agency spent \$23,804.00 in providing these services. We are requesting \$3,946.00 from your town for our coming fiscal year to help us continue these services. If you need additional information, please call us at 775-2381. We look forward to your support.

ONE-2-ONE
c/o Rutland Regional Medical Center
160 Allen Street, Rutland, Vermont 05701
(802) 775-8219

The One-2-One program continues to provide volunteer support to Rutland Town's frail homebound elders.

We provide for your elders telephone reassurance, friendly visiting and transportation assistance to doctors appointment, grocery shopping and hospital appointments or admissions.

During the past year 1,000 telephone contacts, 100 visits, and 600 trips were provided for Rutland Town elders. The One-2-One program is part of Rutland Community Programs, Inc. To arrange for services please call mornings 775-8219.

REGIONAL AMBULANCE SERVICE, INC.
ANNUAL REPORT
(Fiscal Year Ending June 30, 1988)

To The Honorable Citizens of the Town of Rutland, VT:

Regional Ambulance Service, Inc. has provided Emergency and Non-emergency ambulance service for the Town of Rutland since July 1983. During our fifth fiscal year, ending June 30, 1988 Regional Ambulance Service, Inc. responded to 3346 calls.

Regional Ambulance Service, Inc. emphasis has been towards maintaining our motto "To provide the highest quality emergency ambulance care at the lowest possible cost to reduce premature death and disability". During the past fiscal year we were able to request the same assessment amount for the fourth continuous year. We thank the citizens and respective Boards for their continued support.

We have been able to maintain this level of service without increasing assessments due to the support of our quality Office Staff and Field Personnel. Our Membership program proved to be an effective source of income has provide savings to individual members whose needs for our services were required.

We completed construction of additional space for living quarters and office space. This was accomplished with the generous support of the local contractors, businesses and the labor of our dedicated staff.

In June of 1988 we took delivery of a new modular ambulance, replacing a 1983 modular ambulance. This is keeping in step with our goal of replacing one vehicle every year to maintain reliable up to date ambulances.

We are proud of our accomplishments and would like to thank the citizens we serve for their support. The Board of Directors and Administration of Regional Ambulance Service, Inc. will continue to strive to provide the highest quality of emergency ambulance care at the lowest possible cost to all of the citizens we serve.

Sincerely:

Mary C. Keirstead
Rutland Town Representative

David R. Melen, President
Board of Directors

ASSOCIATION FOR RETARDED CITIZENS
(802) 775-1370 — 128 Merchants Row
Rutland, Vermont 05701

We represent over 1800 people throughout Rutland County. We are guardian for 22 elderly developmentally disabled people in nursing homes, group homes and the State Hospital. We presently represent approximately 50 people and their families in Rutland Town living in private homes and group homes. We are representing payee for 73 people in Rutland County.

Enclosed please find a list of programs and services with a brief description.

Sincerely,

Anne M. Shea
Executive Director

"All They Ask Is A Chance To Be All They Can"
TOGETHER WE CAN HELP!

List of programs and services with brief description:

1. REPRESENTATIVE PAYEE — Budgeting and paying bills.
2. INCOME TAX — Accounting of taxes and refunds.
3. EDUCATIONAL PROGRAMS
 - A. Residence and moving — to find apartments and placements in community care homes.

10. INVESTIGATIONAL — INTERACTION — To investigate alleged abuse and neglect. Work with other agencies i.e., Rutland Mental Health, Social Services, Social Security, Hospitals, Vermont Achievement Center, Welfare, schools, organizations and professionals.

VERMONT CENTER FOR INDEPENDENT LIVING**Annual Report to Towns
1989 Town Meeting**

VCIL is a statewide non-profit organization which works to ensure the civil and personal rights of people with disabilities. Our programs are geared to assisting people with all types of disabilities to live as fully, productively and independently as possible in their own homes and communities.

In the past year VCIL has responded to over 2,000 requests involving issues including: employment; educational opportunities; housing; civil rights; benefits and/or finances; social and/or recreational options; personal health care; communications; adaptive equipment; architectural accessibility; transportation; and more.

Our Information and Referral Program offers the state's most comprehensive centralized information about virtually any disability related topic. A small video, audio and print library is maintained for community use.

The Peer Advocacy Counseling Program features one-to-one counseling with staff who have first hand experience with a disability. Peer counselors assist people with disabilities to set, and achieve personal independent living goals. In 1988 we were able to begin offering PAC services designed to meet the unique social and cultural needs of deaf and hearing impaired peers as they move into hearing society.

Our Home Modification Program provides resource coordination, information, referral and technical assistance regarding accessibility modifications. We also administer the Home Access Program grant applications process (a cooperative effort between VCIL, the Vermont Samaritan Corp., and the state's Vocational Rehabilitation Division), which provides money for materials for entrance and bathroom access modifications.

If you have a question about any disability related issue, or would like to learn more about our services, please contact VCIL at 174 River Street, Montpelier, Vermont 05602 or call us toll-free at 1-800-622-4555 or 229-0501 (both lines voice or TTY).

Thank you for your support.

Sincerely,

Deborah Lisi
Acting Executive Director

SOUTHWESTERN VERMONT AREA AGENCY ON AGING

Report to the Citizens of Rutland Town

This agency expects to spend \$23,004 to provide services needed by elder residents in your community during the current fiscal year.

The following information describes services that we provided to elders in your community during the fiscal year ending September 30, 1988:

Senior Meals

600 meals were provided to **24** elder residents of your community who took advantage of the meals served at congregate mealsites sponsored by our agency.

1,843 meals were delivered to the homes of **13** elders who were homebound and unable to come to the mealsite. This service is often referred to as "Meals on Wheels".

Senior Advocate Assistance

33 Older persons received assistance through this important program. Advocate staff helped elders fill out application forms and worked to resolve any problems related to receipt of benefit programs or other assistance. Guidance was also provided to persons having questions or problems related to health insurance claims or medical service payments. Advocates also helped elders file Vermont tax rebate claims and provided assistance with fuel program application.

Other Services

The following list outlines some of the other services we made available to elders in your area either directly or through contract:

- *Long Term Care Ombudsman:* This individual was available to provide assistance to residents of nursing and residential care home in our region. She helped elders or, if appropriate, family members to sort out information concerning financial assistance and other concerns related to long term care.
- *Information and Referral:* Our agency maintained an up-to-date listing of programs and services available to elders. Older persons were able to get this information by either calling our I&R line or by visiting our agency.
- *Legal Service Attorney for the Elderly:* Funding was provided by our agency to help pay for the services of an attorney whose role was to focus on legal issues of concern to older persons. This attorney worked out of the Vermont Legal Aid Office in Rutland.
- *Essential Transportation:* Through agency arrangement, a limited number of elders were provided with rides through our mealsites to get to medical appointments or to do essential shopping. Volunteer drivers received reimbursement from our agency for mileage costs incurred in providing this assistance. We also provided a limited amount of money to the One-2-One Program to help support its efforts in providing this vital service.

RETIRED SENIOR VOLUNTEER PROGRAM

**56½ Merchants Row
Rutland, Vermont 05701
(802) 775-8220**

The Retired Senior Volunteer Program (RSVP) is a nationwide program for people 60 and older who want to help meet community needs through meaningful use of their skills and knowledge in volunteer service to non-profit organizations.

In 1987, 370 RSVP Volunteers contributed over 59,000 hours of service to more than 90 organizations in Rutland County.

The 15 active Town of Rutland Town Volunteers have been donating their time to the following organizations: Arts in Process, BROCC, Eden Park, McKerley Health Center, Rutland City Schools, Rutland Regional Medical Center, Rutland Town Elementary School, Well-Child clinic, Tax Counseling for the Elderly, One-2-One Program, VAC, Vt. Dept. Forests and Parks, WSYB Christmas Fund, Rutland Town School Library, Cheney Hill School Nutrition Project. To date, the combined hours of service totalled 2,351 in 1987.

We encourage and invite any senior citizen to call RSVP at 775-8220 to learn more about volunteering with the RSVP Program. The benefits are many: a sense of purpose, recognition, acceptance and the knowledge that you are contributing to your community.

Over the years the support that has been given RSVP by the voters of the Town of Rutland Town is greatly appreciated, and we thank you and pledge our continued effort to be of service to the community.

Anne P. Rowe,
Director
November 9, 1988

BENNINGTON-RUTLAND OPPORTUNITY COUNCIL, INC.

The Bennington-Rutland Opportunity Council is, for it's 23rd year, offering a wide range of programs with direct assistance, counseling, self-help and community participation as a few of the means through which alternative opportunities and options are presented to needy community members in order that they may achieve their personal goals, and as much self-sufficiency as possible.

The Bennington-Rutland Opportunity Council is continuing it's service to disadvantaged residents of your community through programs offering information and referral, advocacy, support and through specific services such as food distribution, weatherization and energy related home repair, assistance for fuel and utilities, and with special emphasis on housing issues.

In an effort to meet the needs of eligible Rutland Town residents, the Bennington-Rutland Opportunity Council has expended **\$9,922.49** in services in Rutland Town during our 1987/1988 fiscal year.

Bennington-Rutland Opportunity Council needs your support. We would appreciate the Rutland Town supporting our continued operation with **\$750.00**.

If you need additional information, please feel free to give us a call.

Sincerely,
Gretchen Anderson

IV.	Weatherization: Labor and materials at \$1600 per completion.	
V.	Enhancement: Labor and materials at actual cost.	

**MARBLE VALLEY REGIONAL TRANSIT DISTRICT
"THE BUS"
1988 ANNUAL REPORT**

The Marble Valley Regional Transit District, generally known as "THE BUS," has just completed its twelfth year of providing public transportation in Rutland County and is still the largest non-urban public transit system in the State of Vermont. It provides transportation to the General Public in Rutland County, as well as to several Social and Human Service agencies. We feel we are a valuable asset to the communities we service.

System ridership during this year has increased noticeably over last year's 120,000. Approximately 283,000 vehicle miles were accumulated on the fleet of 20 busses, 30% of which are equipped for the handicapped.

Marble Valley has started renovating its facility located at 158 Spruce Street. The one hundred thousand dollar renovation includes additional office space to accommodate the continued growth of the system and to coincide with the growth of communities. The office has already been fully computerized for a more efficient operation. The updated equipment and facility renovations are paid through monies raised from membership assessments (local matching funds). For ever (\$1) dollar Marble Valley raises the Federal and State Governments contribute (\$3) three.

Transfers were introduced to the public on August 8th, which will give passengers even more for their money. If a passenger needs to transfer busses to get to his or her destination, he or she can ask the driver for a 25 cent transfer slip at the transfer point (K-Mart) in Rutland. This will enable the passenger to ride almost anywhere in town for a modest charge.

Medicaid transportation (free transportation for qualified Medicaid recipients) has more than quadrupled during the past year. This service is absolutely essential for those who cannot provide their own transportation.

Once again we thank the taxpayers and elected officials of our member municipalities for their financial and moral support so that "THE BUS" can continue to move forward in providing vital public transportation service to the area. As our community grows, so does the transportation needs of the community.

Lawrence A. Dreier, Administrator
David R. Melen, Chairman of the Board, Proctor
Mary C. Keirstead, Secretary/Treasurer, Rutland Town
MARBLE VALLEY REGIONAL TRANSIT DISTRICT
